ROMANTICISM  
EXPRESSIONISM  
MODERNISM

The art songs of western Ukraine are a treasure to be enjoyed by every connoisseur of vocal music. Once again, Pavlo Hunka and friends bring to life recently discovered scores of Ukrainian composers. Experience a world of music and poetry by the late romantic Denys Sichynsky, post-romantic Stanyslav Liudkevych, impressionist Vasyl Barvinsky and the modernist Stefania Turkewich.
